DAIRY GOATS

The Australian dairy goat industry is well placed to satisfy increasing consumer demand for alternatives to cows' milk products.

As well as the industry supports a high-quality export market for stud dairy goats. Interestingly worldwide people consume more goats milk than cow's milk.

Nine breeds compete at the Perth Royal Show: Anglo Nubian, British Alpine, Nigerian Dwarf, Saanen, Toggenburg, Australian Brown, Australian Melaan, Sable and Alpines

DAIRY GOATS

SPONSORS

A BIG THANK YOU TO OUR MANY AND VALUED "COMPETITION" SPONSORS AND PRIZE CONTRIBUTORS IN 2021

On Tuesday June 22, 2021 the President of the Royal Agricultural Society of WA and the Premier of Western Australian made a joint announcement that the 2021 Perth Royal Show would be going ahead. This was naturally wonderful news and set about the big task of creating this year's Show, including all our incredible Competitions.

At the time of publishing the various Competition Schedules, previous sponsors and prize contributors were being contacted to once again support the Competitions. This is a big task, with detail still being collated and finalised.

Please be assured that the many prizes and acknowledgements that are a big part of the Competitions will again be present in 2021 and we look forward to your involvement.

In due course the Competition sponsors and prize contributors will be acknowledged and we thank them for their ongoing support.

*Confirmation of sponsorships received after the printing of the schedule may be acknowledged in the Dairy Goats catalogue.
Prizes listed in the schedule are correct at the time of release however may be subject to change.*
