RURAL AMBASSADOR AWARD 2023

The Rural Ambassador Competition is a national competition aimed at young adults from rural areas who have a passion for living and working in their communities.

The competition aims to discover the next generation of rural leaders who have the desire to represent and promote their community, their region and their state. Successful entrants are given the opportunity to meet and network with like-minded representatives from around the state and across the country. You will meet state and federal decision makers and leaders in agriculture and education, be able to input your point of view, ask hard questions and make important contacts.

The only requirement for entry is a passion for agriculture and rural Australia, and a desire to challenge yourself and have a good time.

So if this sounds like you, contact your local Agricultural Society for entry details.
