RASWA has a policy whereby all prize money is paid by EFT (Electronic Funds Transfer). Your banking details will be kept secure and can only be used by RASWA to credit your bank account. Please complete your account details on the application for entry even if you have provided them previously. In accordance with the rules of the competition, failure to provide your bank details will mean that any prize money you earn will be forfeited and retained by RASWA.

Prize money as stated in the schedule does not include GST. The prize money which the Society pays to successful Exhibitors ("you") depends on the information that you provide to the Society.

If you confirm that you are GST registered and provide your Australian Business Number (ABN) the Society will pay the appropriate prize money plus 10% GST. The Society will provide to you a Recipient Created Tax Invoice (RCTI) within 28 days of the day you were successful at your event, detailing the GST which you will need to submit to the Australian Tax Office (ATO).

If any adjustments need to be made, the Society will issue an adjustment note to you within 28 days of the adjustment. Upon entry into the competition and completion and signing of the application form, this form will become a RCTI agreement as required under (Goods and Services Tax) Act 1999.

Furthermore, you acknowledge your agreement to the following:

- The Society will issue you a tax invoice in respect of the successful exhibit;
- You are requested not to issue a tax invoice to the Society in respect to prize money received;
- It will be necessary for you to notify the Society if you cease to be registered for GST; and
- The Society will notify you if it ceases to satisfy any of the requirements of the determinations.

If you provide your ABN but are not registered for GST, the Society will pay the prize money as detailed in the prize schedule.

If you are a business Exhibitor and do not provide your ABN to the Society, 47% tax will be deducted from your prize money under the ATO PAYG provisions.

If you confirm that you are entering as part of a private recreational pursuit or hobby, the Society will pay the prize money as detailed in the prize schedule.

As the Society accepts no liability for loss or damage occasioned to or by any property exhibited, it is recommended that the Exhibitor arranges appropriate "all risks" insurance for their exhibit(s).
